

MAY IS BETTER HEARING AND SPEECH MONTH

Also

At our Elmwood Avenue location:
Presentations

6:30 PM—Dr. Noreen Podyma will discuss program offerings for children with difficulties in reading, writing and language processing.

7:15 PM—Dr. Larry Medwetsky will discuss if spoken language processing disorders could be the reason your child is having difficulty in school.

Summer programs run from July 7th – August 20th. Register before June 10 and receive **10% off**.

Registration is required for both of these presentations, so please call, **585.286.9305** by **May 7, 2010**.
