

Our 2007 Series...

Greetings Fellow Audiologists!

2007 brings an exciting schedule of opportunities for professional development! This year we have planned five seminars and one full day conference.

Since the beginning of our program 5 years ago, our mission is to provide Audiologists with high quality professional continuing education opportunities at convenient times and at an affordable price. We continue to build our Continuing Ed Program as a place to network with other professionals, a forum to exchange ideas, and ultimately, an opportunity to connect with our friends and colleagues in the field.

SAVE THE DATE!!
