

A lot has changed in the last

100 YEARS

So have we.

*I*n the past century, our community has grown. And we've grown too, alongside the individuals and families we have known for so long.

We are proud to have served our community for one hundred years. And proud that our clients have trusted us over the decades, grown with us, and allowed us to stand by them during the good and trying times.

As we celebrate the centennial anniversary of our non-profit agency, we remain dedicated to providing hearing health, educational, and clinical services you deserve. We are honored by your trust.
