WHAT'S HAPPENING HERE

Holiday Season Edition

#100YearsStrong | 2022 was a BLAST!

From our Centennial Gala this past September to partnering with the Monroe County Department of Public Health to offer free hearing screenings to the community, Rochester Hearing and Speech Center celebrated our 100th Anniversary with a bang. The partnerships we made and strengthened this year are a testament to how much we love the Greater Rochester area, and adjoining communities. This year also marked a special occasion to recognize those who made a difference and supported our agency over the years. EI Play Dates | A Monthly Community Initiative

Rochester Hearing and Speech Center held its second EI Guided Play Date on Saturday, December 3, at our Rochester/Brighton location.

Thank you to all those who attended.

Next Event: January 21, 2023.

These therapeutically designed EI Guided Play Dates provide monthly support for children on the waiting list to receive Early Intervention Services. Additionally, others who would like the extra time to interact with licensed therapists are welcome to join the developmentally appropriate activities.

The program is hosted by the Rochester Hearing and Speech Center in collaboration with Nazareth College, Monroe County Early Intervention Program, Private Toy Fund, Parents Helping Parents, and Parenting Village.

These sessions are made possible by a generous grant from the Golisano Foundation.

HERE FOR YOU | NOT FOR PROFIT!

This is why we're here: helping our clients to overcome obstacles and achieve great things. And that is only possible because of YOU and your support.

Rochester Hearing and Speech Center is indeed an enduring, trusted, and critical community resource. Celebrating our 100th Anniversary this year, we've had the opportunity to reflect on the tens-of-thousands of lives that have been changed over the years. And this is only the beginning as we transition into the next phase of our growth. We can't do it alone. Your support has been critical to our ability and capacity to take on challenging projects, and we're succeeding because of your support. You are a game changer, better yet, a life changer.

We deeply appreciate your generosity!
