You Care About Your Employees Hearing Health. We Can Help!

Rochester Hearing & Speech Center (RHSC) provides hearing screenings and consultations for many area employers, including: cities and towns, school districts, and large and small companies and factories. We can work with you as well. It's easy.

Here's how it works: Your company sets up an annual contract with RHSC; typically this is handled by your company providing a purchase order. Your company approves RHSC Audiologists and Licensed Dispensers to perform a hearing screening for each of your employees. Employees can schedule a 15-minute appointment at one of our three locations: Rochester/Brighton, Greece, and Webster.
